

**Leadership capacity to  
accelerate your most  
important strategic projects.**

**Access top talent.**

FUSE attracts highly experienced and talented executives from diverse backgrounds who are dedicated to driving social change.

**Customized project solutions.**

FUSE works with local governments to develop customized project solutions that address their specific needs and challenges.

**Project management expertise.**

FUSE Executive Fellows provides project management expertise to ensure projects are completed on time and within budget.

**Nonprofit, inclusive consulting.**

FUSE offers a cost-effective solution for agencies that need to tackle complex projects but may not have the resources to do so internally.

# The FUSE Executive Fellowship program is a unique opportunity for local government agencies to access leaders with diverse backgrounds and expertise to accelerate progress on important initiatives.

FUSE Executive Fellows are highly skilled professionals working with local government staff to design and implement innovative projects addressing key challenges such as infrastructure upgrades, economic development, and social equity.

The program provides a cost-effective and flexible way to access additional capacity, expertise, and fresh thinking, while also building leadership and collaboration skills among staff.

With a proven track record of success across the country, FUSE is a trusted partner for local governments seeking to drive positive change and achieve their goals.

## FUSE Executive Fellows are:

Mid-career professionals with at least 15-years of experience.

Racially diverse and connected to the communities that their project will serve.

Coming from leadership roles in the private and social sectors.

Passionate about a career shift into the public sector and service.
